Who Said What?

"I have been so impressed by what I have been learning about Partners in Hope in the recent past from the fellowship dinner, from getting to know Tricia, and from reading Matt's book. I look forward to receiving the monthly newsletter and learning about other volunteer opportunities. ~ Heather Goodson, Volunteer

Announcing: The Power of "With"

We are excited to announce that Partners in Hope has published **The Power of "With": Making a greater impact with a relational ministry culture**, a workbook for leaders of churches and faith-based nonprofits. There is also a corresponding workbook, **Walking With Others**, for volunteers who work with those organizations. These workbooks explore the Biblical basis for adjusting the way we serve others through our ministry efforts by building relationships with people in need rather than exclusively providing one-time, transactional support. Sharing the gift of our ongoing presence with our neighbors ("walking with others") can be a complete game-changer in terms of the impact we have on our communities, our ministry partners, and the Kingdom of God.

Interested in setting up a volunteer training event? Email Matt at info@pihtx.org for more information.

Partners in Hope - Texas is 100% community supported. As a 501(c)(3) nonprofit organization, all donations are tax-deductible to the extent allowed by law.

Our mission is to empower communities to work together to eliminate social isolation and the hopelessness it causes. Imagine with us a world where no one has to navigate life alone!
