

# Relational Ministry Training

Want to help your church or nonprofit make a greater impact in your community? These compelling, transformative training workshops can lead to meaningful changes in the way you interact with neighbors in need, equip your volunteers to serve, and partner with other groups in your community. The ultimate goal? Helping your organization build relationships with people facing struggles, rather than exclusively providing one-time, transactional support. You'll see God do what only He can.

## Training Option #1: Developing the Culture

### The Power of “With”

**Flexible Length: 3-5 hours**

*Making a greater impact with a relational ministry culture*

- Perfect for leaders, organizers, and decision-makers in churches and faith-based nonprofits
- Explores the Biblical basis for adopting a relational ministry focus and provides a detailed framework for developing that culture in your organization.

*This training will help you think differently about your serving model, develop partnerships with other ministries, and create a strategy for engaging your community. You'll also learn about the importance of training your volunteers to share the gift of ongoing presence.*

## Training Option #2: Practicing One-to-One Interactions

### Walking with Others

**Length: 2 hours**

*Increase your impact by shifting the way you serve your community*

- Perfect for any ministry volunteers—from older teens to adults, including individuals, small groups, and leaders
- Provides an overview of the value and impact of relational ministry, followed by eight practical guidelines for building relationships with people in need.

*In this workshop, attendees gain concrete strategies for shifting the way they serve others while growing in their confidence to share Christ in a relational way.*

### About Partners in Hope

Our mission is to empower communities to work together to eliminate social isolation and the hopelessness it causes. Imagine with us a world where no one has to navigate life alone!
