

PIH Fall 2025 Trivia Night & Fundraiser Dinner

Sponsorship Opportunities

When is your event?

Sunday, October 26, 2025, 4:30 – 7:30 pm. (Online RSVP form will open on September 10.)

Where is your event?

Moon Flower Hill Event Venue on Lake Travis: 14000 FM 2769; Volente, TX 78641
Four miles from 2222/Four Points Area (www.moonflowerhill.com)

Are you a tax-exempt organization?

Yes, we received our 501(c)(3) tax-exemption in 2011. Our tax ID: 45-2541325.

Where are your service areas?

Generally Central Texas, but specifically most zip codes within the Lake Travis/Spicewood and Cedar Park/Leander areas.

What is your mission?

The mission of Partners in Hope – Texas (PIH) is to empower Central Texans to work together to eliminate social isolation by creating connections to life-giving community.

Hidden in the shadows of our communities are people struggling to thrive because they have limited social support networks. In some cases, they do not know anyone they can call upon for help or connection. This isolation keeps many of our neighbors in a cycle of financial crisis, health struggles, depression, and dilapidated living conditions.

Since 2011, Partners in Hope has worked to create a culture of connection and hope through the power of relational ministry. After identifying individuals and families who desire to work with

us, we agree to walk alongside them for at least one year, offering programs such as living condition improvement, access to valuable community resources, connection to small groups and fellowship opportunities, and goal-setting support.

PIH is the only nonprofit of its kind in our area that intentionally goes into our communities to offer “boots on the ground” help for the socially isolated, while equipping volunteers, churches, and community leaders to be part of the solution through proven relational training methods. You can find more about our work at www.pihtx.org.

Imagine with us a world where no one navigates life alone!

What is your event like?

Our fall dinner is a fundraising event but has more of a “homecoming” feel rather than a traditional gala. Our events have always been a joyful gathering of kindred spirits who desire to celebrate the good accomplished through the PIH mission while also sharing future goals. Guests always leave feeling excited and grateful they came!

For our Fall 2025 event, we will have a reception/cocktail hour, catered dinner, a trivia game competition, and a short presentation. We also have music, door prizes, and other fun activities.

What is your 2025 theme?

Because we consider our work connecting socially isolated people with their communities to be anything but trivial, this year’s theme is **Connection: A Non-Trivial Pursuit!** We’re very excited to host a lively, interactive Trivia Night, where guests will join other attendees at their tables to compete for prizes by answering a variety of trivia questions—from pop culture, history, sports, travel, and even a few fun ones about our mission.

How many people do you expect to attend?

This year we expect to have over 200 people at a (new to us) gorgeous lake-view venue that has already generated lots of buzz!

Who attends?

Our supporters come from all walks of life but are primarily business, church, and civic leaders in the Lake Travis/Spicewood and Cedar Park/Leander areas. Some guests come every year because they are passionate about our cause. Others come because they want to learn more about PIH. (This event is for adults.)

Why Sponsor?

We don’t charge to attend the event, so your underwriting sponsorship is critical to our success.

Your sponsorship will provide your organization with:

- Publicity exposure through event marketing to 1,000+ people on our mailing list and 750+ followers on social media
- Brand visibility and goodwill to more than 200 community leaders at the event
- Alignment with a nonprofit organization that enjoys a longstanding and highly positive community reputation
- Support of a niche but life-saving cause to care for the socially isolated
- Tax-deductible benefits (as applicable)

Most importantly, your sponsorship ensures that our families will have the continuous flow of connections they need to change the trajectories of their lives, transforming them into active members of their neighborhoods and communities.
