

Rebecca Williams started with PIH in October of 2023 and has served our families in the Lake Travis/Spicewood area with much compassion and kindness. We are grateful for the skills, passion, and joy she brought to her work as a Community Connections Manager. More from Rebecca below!

"The last several years working with Partners in Hope has been a blessing to me as I learned to step into relational ministry and work with a team who truly cares for each other and their communities. It has truly been a gift from God to be a part of God's work through Partners in Hope!"

God is a God of community, and it has been a privilege to help isolated families find connection in community. PIH brings so much hope to families. I will miss working with our staff, our volunteers, our donors, our partnered churches, our partnered organizations, and our partnered families in Lake Travis/Spicewood.

All of you have been instrumental in my journey with God and my hope is to take what I have learned at Partners in Hope and share it in a global context. The next step in my journey is to step into full-time mission work overseas. I will be attending a five-month discipleship school where we will be trained to share the gospel, work as a team, and then do outreach in another country.

May God continue to bless PIH as they minister to people who feel alone and help them to find community. 'But I do not account my life of any value nor as precious to myself, if only I may finish my course and the ministry that I received from the Lord Jesus, to testify to the gospel of the grace of God.' —Acts 20:24"

Rebecca will be with PIH through the end of March, training her replacement. If you want to send well wishes to Rebecca, or find out more about her missionary journey, [email her here](#).

We are very excited that **Dominique Sam** will be stepping into Rebecca's role as Community Connections Manager for Lake Travis/Spicewood on March 1! Dominique and Rebecca will have some overlap time, so we are confident that our families will be in good hands during this transition. Dominique is active at her church, Austin Stone Northwest. She will be an amazing addition to our team!

Dominique is a social services professional dedicated to empowering individuals and families through advocacy and community support. She collaborates with local agencies and other partners to ensure people have access to resources that promote dignity and long-term stability.

With nearly a decade in human services, Dominique has developed strong leadership, case management, and crisis intervention skills. Through her work, the Lord continues to shape her heart for service and purpose-driven leadership.

She is a proud mother who loves to read, sing, dance, and grow in her faith. Dominique strives to lead with integrity, compassion, and excellence in every space she enters. "Let all that you do be done in love." — 1 Corinthians 16:14

Please help us welcome Dominique! Her email starting next week will be dominique@pihtx.org.

Ronne Rock will start as our new Ministry Director for Lake Travis/Spicewood on March 23, taking over from Carissa Bickling who is now the Development Director. She brings a wealth of nonprofit experience to PIH, along with deep roots in the Lakeway area. She and her husband, Brad, have supported PIH in various ways over the years. Ronne is active at Church of the Cross Lake Travis (Episcopal). We are thrilled to have Ronne on our team!

Ronne is a partnership strategist, author, and mentor who believes the best stories are the ones we step inside. As Ministry Director for Partners in Hope, she will connect with churches, organizations, and individuals to engage in transformational work with neighbors experiencing social isolation in their own communities.

With more than three decades of leadership spanning corporate marketing, nonprofit development, global orphan care, and local church ministry, Ronne is known for designing partnerships that are both mission-driven and mutually beneficial. Her background in partnership marketing, development, and volunteer leadership shapes her ability to build bridges between vision and action, helping communities move from intention to meaningful impact.

Ronne is the author of four books and loves storytelling as a transformation tool. She finds great inspiration from Ephesians 2:10: "For we are the product of His hand, heaven's poetry etched on lives, created in the Anointed, Jesus, to accomplish good works God arranged long ago."

Please help us welcome Ronne! Her email starting March 23 will be ronne@pihtx.org.
